Dear Parents/Guardians

2021 TUITION FEES AND CHARGES

On behalf of School Council, I wish to provide you with the following information pertaining to 2021 Tuition Fees and Charges and to thank you for your continued support of the School. We have appreciated families meeting their financial obligations in a timely manner throughout 2020 despite a challenging and uncertain economic environment as a result of COVID-19.

This year, the School restructured Tuition Fees to provide an affordable, high quality, inclusive, caring Christian education to all families. As a further commitment to keeping an education at John Wollaston Anglican Community School affordable, School Council is pleased to announce that there will be no increase to Tuition Fees in 2021.

Annual fees are inclusive of charges pertaining to tuition. There are a number of special school activities which are charged separately. These include, for example, camps, some Encounters, Specialised Subjects and Courses in Years 9 to 12 and the Worklink/Certificate Courses in Years 11 and 12.

The Service Levy will incur a minor increase, however, the Building and P&F Levies, Bus Charges and Instrumental tuition will not be increased next year.

From 2021, Tuition Fees and charges will be billed annually in January of each year. This will provide families with certainty and the ability to budget more effectively whilst also still providing various payment plan options. This information is detailed in the enclosed *2021 Fees and Charges Information and Business Conditions flyer*.

Students entering Year 3 in 2021 will join the 1:1 JWACS Device Program and be charged the Device Levy. Students entering Year 7 will receive a new replacement device under the Program, and students entering Year 10 in 2021 will join the BYOD (Bring Your Own Device) Program. Further information about the Device Program in 2021 will be forwarded in due course.

Should you require clarification of any matter pertaining to the above, please do not hesitate to contact me.

Yours sincerely

DEREK HEATHERLY
BUSINESS MANAGER

14 October 2020

cc Mr J Misso, Chair of Council
