Introduction

> WELCOME TO OSHCLUB'S OUTSIDE SCHOOL HOURS CARE PROGRAM

OSHClub provides high quality Before & After School Care and Holiday Programs on-site at your school, in an environment in which children feel safe and have fun.

Our motto is "Happy Children Learning" which covers two of our important values: children at our programs must be happy, and they should learn or experience something new or fun each day.

At each session we provide a selection of structured and unstructured activities, offering children plenty of choice. The structured activities teach children a variety of skills based on our core principles of Play, Discover, Engage and Share. Our unstructured activities give children the opportunity to relax and play with their friends – and just be children! But that's not all - children also love coming to our programs for the caring and well trained staff.

Our programs are great value too as many families receive a Child Care Benefit (CCB) discount on their fees, and just about every family receives the **50% Tax Rebate** as it's not means tested.

OSHClub is all about Happy Children Learning
